
AMSAT User Services Report 2007

Gould Smith, WA4SXM

VP of User Services

User Services Activities

- AMSAT Journal
- AMSAT News Service (ANS)
- Awards and Contests
- AMSAT HF and VHF Nets
- Field Operations
- Dayton

AMSAT Journal

- Some issues have been late this year, mainly due to **lack of content**
- Ed has been traveling a good deal
- He needs to have the content in to him by the 15th of each odd month
- Jan / Mar / May / Jul / Sep / Nov
- Jan/Feb Mar/Apr May/Jun
- Jul/Aug Sep/Oct Nov/Dec

2008 AMSAT Journal Goals

- I would like each Board member and Officer to write at least three articles a year.
- Recruit help for getting articles
- Recruit help to pre-process/write new articles
- Work with the new Marketing & Sales team to get more advertisements
- Get the Journal back on a more consistent delivery schedule

AMSAT News Service

Excellent job all year of compiling the weekly AMSAT news and getting it out in a timely manner.

Thanks to:

Dee Interdonato, NB2F

JoAnne Maenpaa, K9JKM

Lee McLamb, KU4OS

2008 Field Operations Goals

- Increase Hamfest presence
- Improve the use of the FOSS system
- Organize a list of skills and who to call
- Increase presentations/demonstrations
- Improve the Hamfest revenues
- Increase the activity of inactive ACs and recruit new, active ACs

AMSAT Dayton 2007

- 5 booth spaces
- Outside Demo area
- New Forum time
- EAGLE area
- Great setup crew

AMSAT Dayton 2007

- Thursday Evening Pizza
- Friday Banquet at Air Force Museum
- Friday, Saturday & Sunday Satellite Demonstrations
- Friday morning AMSAT Forum
- Meeting with AMSAT Officers and BOD at booth
- Eagle demonstrations and hardware were inadequate
- New Books, apparel and ‘trinkets’
- New hardware, LVB Tracker boards
- Membership signup or renewals
- No membership prize, concentrate on fund raising

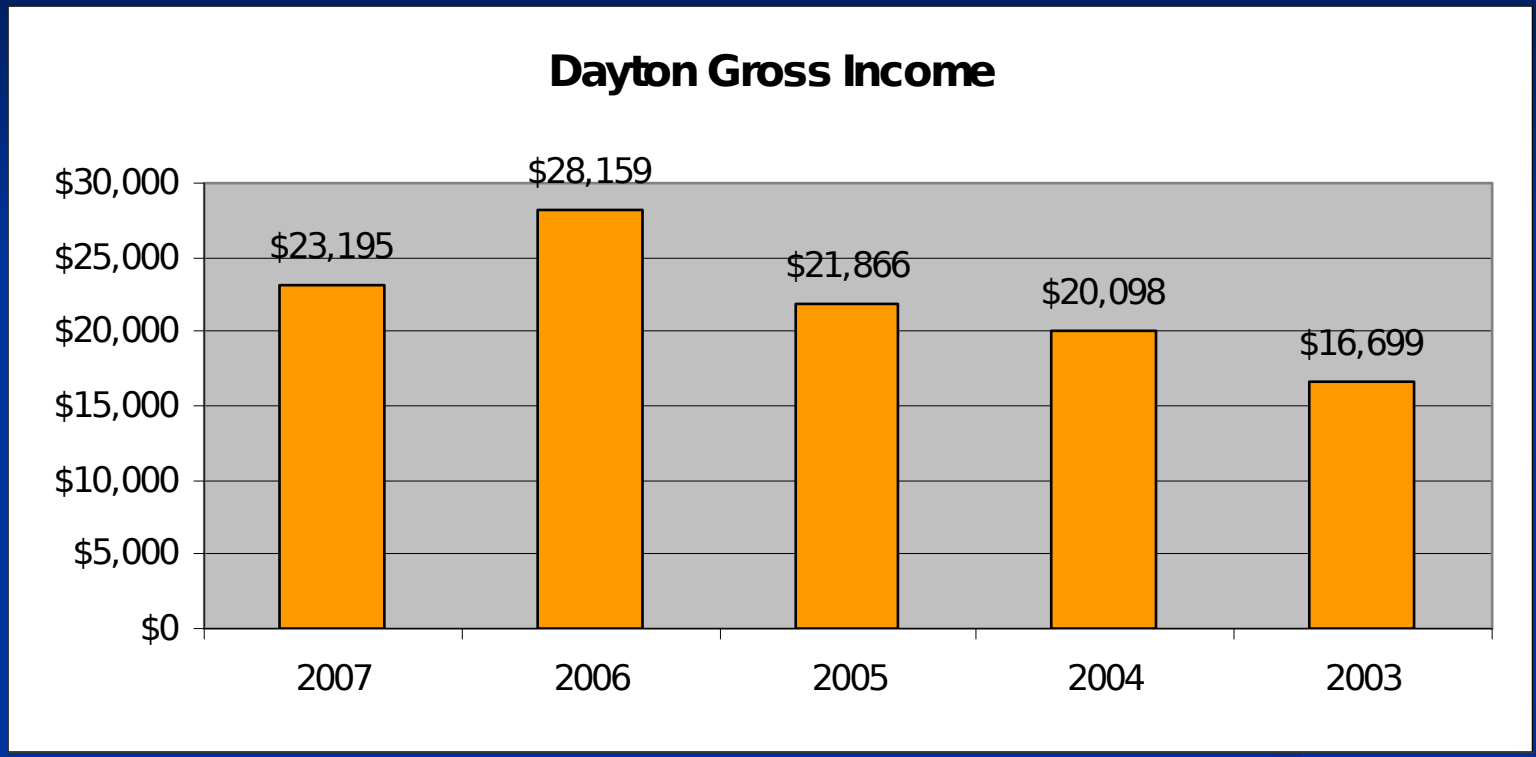
Eagle Area Dayton 2007

AMSAT Dayton 2007

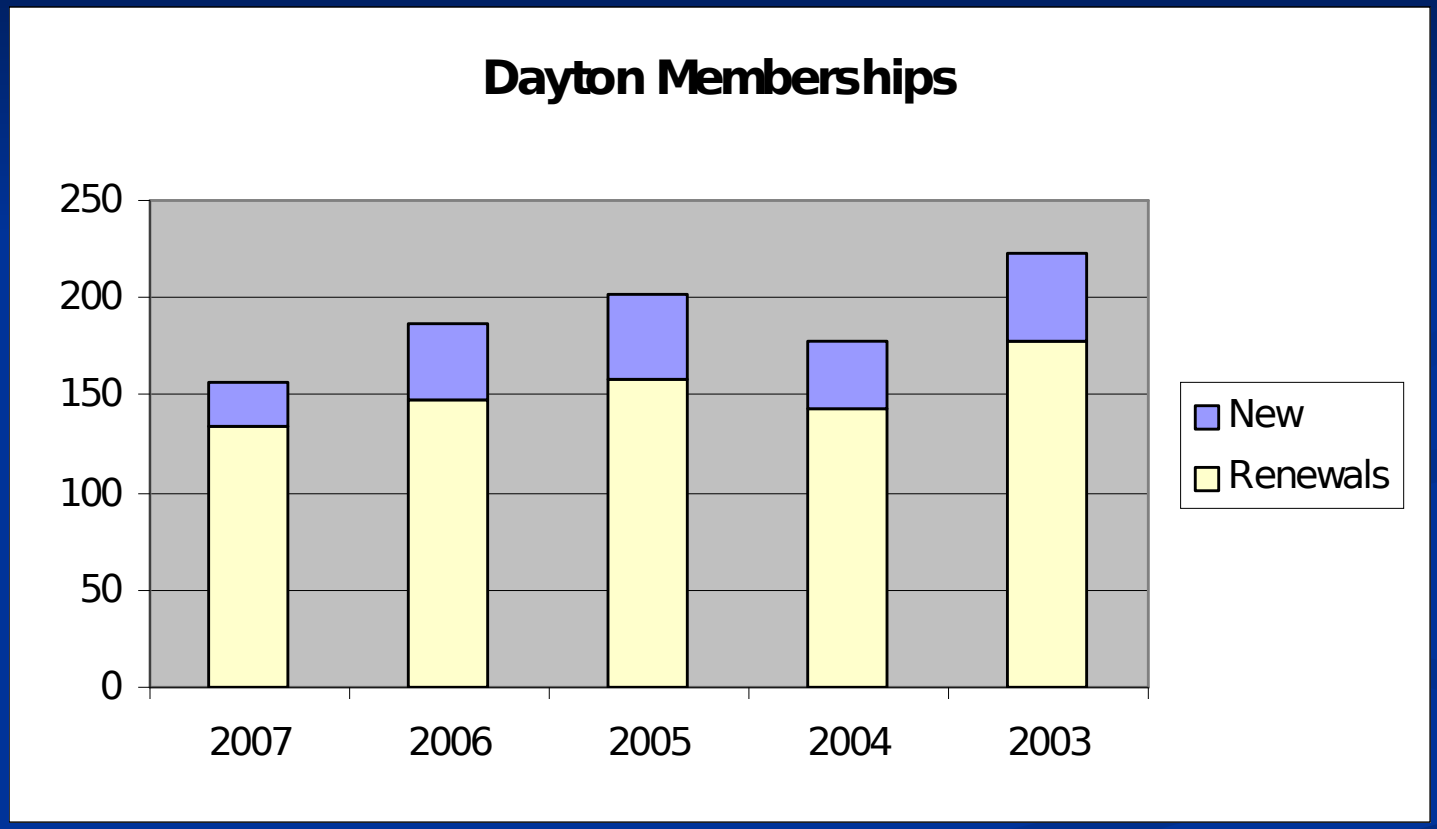
Work with DARA to keep the outside demo area

Talking with Members Dayton 2007

AMSAT Dayton 2007

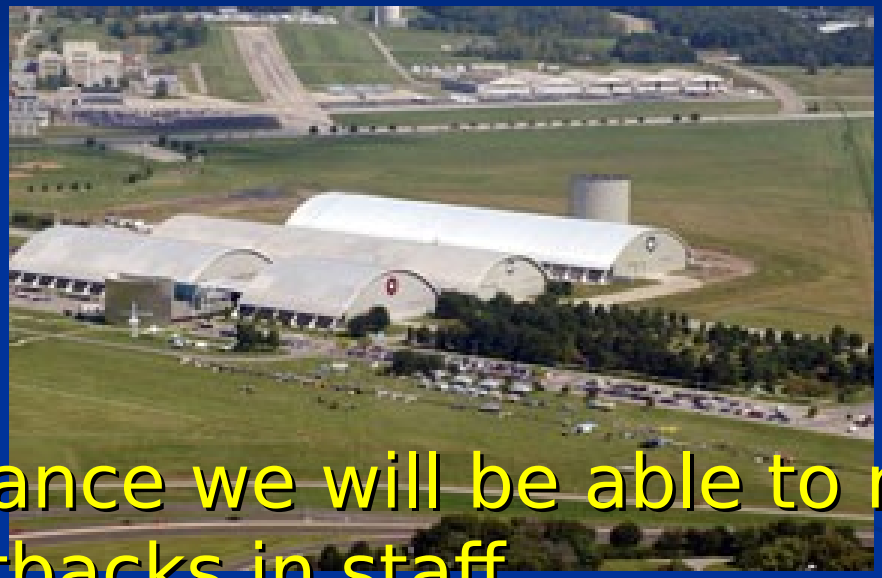


AMSAT Dayton 2007



AMSAT Dayton 2007 Banquet

- Combined Friday Night Banquet with TAPR at the Air Force Museum was a great success.



- Little chance we will be able to repeat this due to cutbacks in staff.
- We are looking at venues that will accommodate both AMSAT and TAPR groups.

AMSAT Dayton 2008

- Keep the larger exhibit space and layout
- Work on badges for Thursday setup crew
- Unsure about the Forum schedule or room
- Need a booth team for the Eagle area, different than the core development team
- Keep the Thursday night pizza
- New Friday night banquet location
- Requesting ideas for new offerings
- Requesting ideas for new displays

AMSAT Dayton 2008 Forums

- Expect to have the same amount of Forum time
- Forums allocated space and time based upon 2007 attendance

AMSAT Dayton 2008 Changes

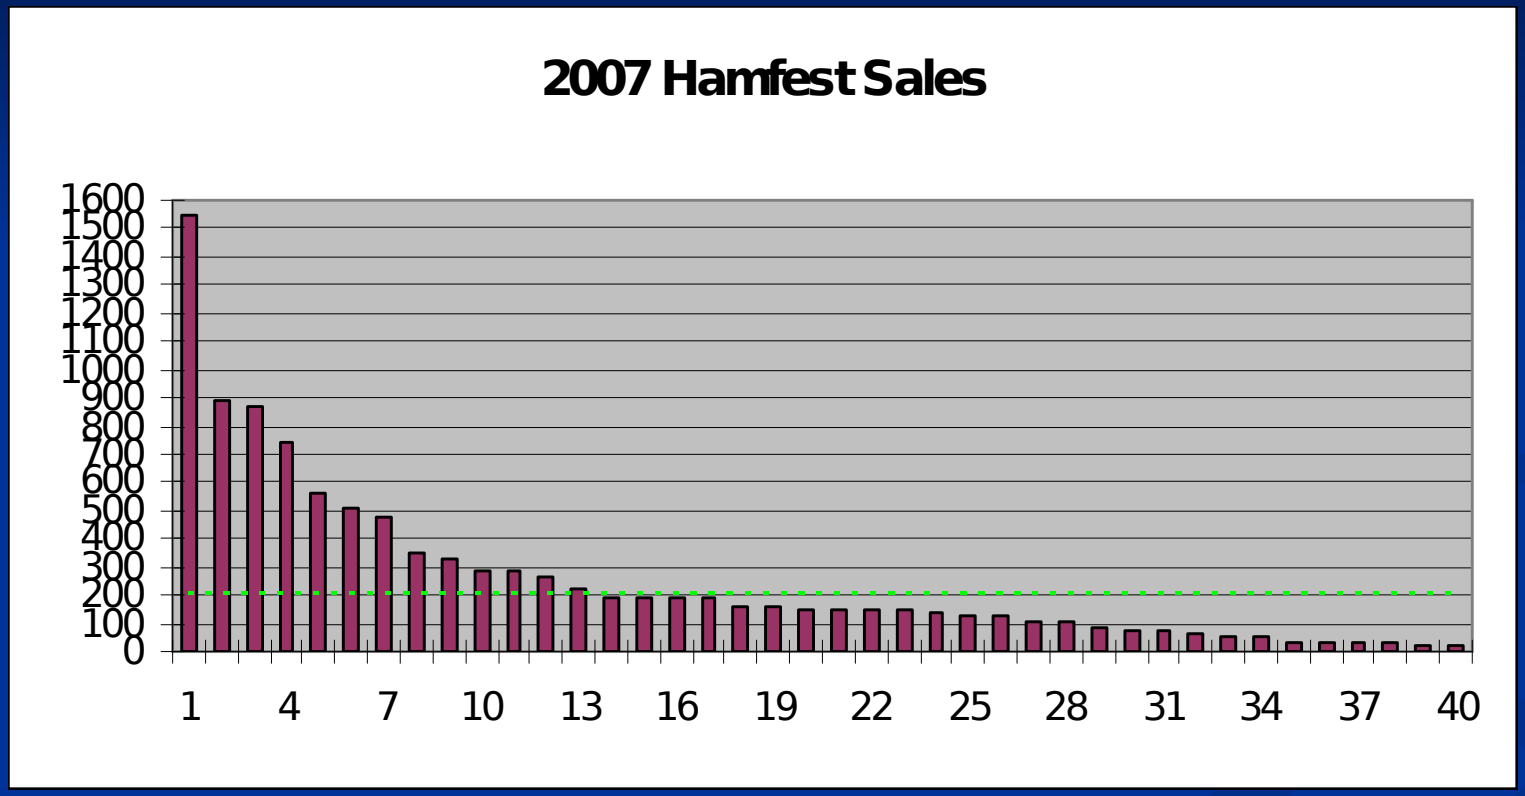
- More web site information
- Scheduled Eagle mini-talks at booth
- Better Eagle displays
- More satellite demonstration equipment
- Forum
- New Banquet location with TAPR

LVB Tracker Box

Thanks to Mike Young, WB8CXO for Dayton display, prototype, parts, build and assembly

Dick Jansson, KD1K for CAD

AMSAT Hamfest Results



Improving Field Operations

- Hamfest boxes
- What problem areas do you see in Field Operations?
- What are your suggestions for improving Field Operations?
- How can we get more AC involvement?
- Participate in an ARISS contact if possible

Director Field Operations

- Provide Leadership for Area Coordinators
- Administration
  - Create new AC accounts, mail, and information
  - Maintain FOSS accounts
  - Assign hamfest requests
  - Maintain the FO mail system
  - Maintain the AMSAT Events calendar
  - Send Martha current list of active ACs every quarter
  - Publish AC list Mar/Apr AMSAT Journal
  - Maintain AC Interest Letter and Welcome Letter
  - Vet AC applications

Director Field Operations

- Recruit new ACs
- Maintain current ppt presentations on FOSS
- Encourage AC participation in talks, demonstrations
- Write a Field Ops Update column for the Journal each Jul/Aug & Nov/Dec issue
- Send out 3 Field Ops Newsletters/year

Director Field Operations

- Produce and improve AC materials
- Host the Field Ops Breakfast each year at Symposium
- Verify and accept new material for FOSS
- Oversee answers to website questions
- Maintain a list of AC strengths
- Participate in the VRS
